

Mr Konstantinos Kostopoulos

Degree(s) Awarded.

2018, Postgraduate Certificate in Higher Education (PGCHE), University of Nottingham
1992, Master of Architecture in the Urban Landscape, University of Southern California, Los Angeles
1989, Diploma in Architectural Engineering (equivalent to a Master's degree in the EU), National Technical University of Athens, Greece
2019-present: PhD candidate, National Technical University of Athens, Greece

2012, Energy building inspector certificate, Technical Chamber of Greece, Athens.
2005, Energy Design & Environmental Quality of Buildings, within the framework of the European MSc in Renewable Energy, European Agency for Research in Renewable Energy Sources (EUREC Agency), National & Kapodistrian University of Athens
1997, Project Management Certificate, Hellenic Productivity Center, Athens
1996, Advanced Training in Passive & Natural Cooling Techniques & Systems for Energy Conservation, National and Kapodistrian University, Athens Observatory, EU/ dg xii, Athens.

Position

Associate Professor NTUA, Head of the Department of Technology.

Professional Memberships

2015, Associate Fellow of the U.K. Higher Education Academy (aFHEA), 2015PR102838
2010-2014, Registered Building Energy Auditor, Hellenic Ministry of Environment
2000-2014, Registered Architect-Designer of Public Buildings, Hellenic Ministry of Public Works,
1990- , Member of the Fulbright Scholars Association of Athens, Greece
1990-present Member of the Technical Chamber of Greece (TEE), Licenced Architect in Greece

Professional Experience

2023 – present	National Technical University of Athens, Associate Professor, Athens, Greece
2020 – 2023	University of W. Attica, Graduate School part-time Professor, Athens, Greece
2019 – present	Corps of Engineers Officers Technical Training School, Building Technology Professor, Athens, Greece
2019 – 2022	National Technical University of Athens, Assistant Professor, Athens, Greece
2013 – 2018	University of Nottingham, Assistant Professor (Lecturer), Ningbo, China
2010 – 2013	Building Energy Auditor, Athens, Greece
2010 – 2013	University of Patras, Adjunct Lecturer, Patras, Greece
2008 – 2010	J/V ATP GmbH - DIMAND SA, Site Supervision, Thessaloniki, Greece
2007 – 2008	DIMAND SA Real Estate Development, Project Manager, Thessaloniki
2006 spring	National Technical University of Athens, Part-time Adjunct Faculty, Athens
2003 – 2012	Democritus University of Thrace (DUTH), Adjunct Faculty, Xanthi, Greece
2003 – 2013	Owner of Architectural Practice, Athens, Greece
2001 – 2004	Jacobs GIBB, Technical Consultant to the ATHOC 2004 Summer Olympics, Competition Venues Overlay Designer & Site Supervisor, Athens, Greece
2001	LMN - Athens International Airport, Project Manager, Athens, Greece
1997 – 2001	HOCHTIEF International - New Athens International Airport, Resident Architect -Coordinator, Athens, Greece
1994 – 1997	A. Samaras & Associates Architects & Planners, Project Architect, Athens, Greece
1992 – 1993	Hellenic Air Forces, Compulsory military service, AF Sargent - Building Maintenance, Greece
1987 – 1990	Prefecture Headquarters Building, Prefecture of Boeotia Architectural Competition Project Team, Architect - Junior Partner, Athens, Greece
1985 – 1987	Intern in major architectural practices in Athens, Greece

Teaching Roles and Experience

2023 – Present	Associate Professor, NTUA, Specialist Area: Design Studio, Building Technology, Environmental Design of buildings, Façade Engineering
2020 – 2023	University of W. Attica, Graduate School: Project Planning and Scheduling
2019 – present	Corps of Engineers Officers Technical Training School, Specialist Area: Building Technology Year 1 and 2
2018 – 2023	Assistant Professor, NTUA, Specialist Areas: Integrated Design Studio, Building Technology, Environmental Design of buildings, Façade Engineering
2013 – 2018	Assistant Professor (Lecturer), UNNC, Specialist Area: Architectural Structures and Construction
2010 – 2013	Adjunct Lecturer, U.o.Patras, Specialist Area: Building Technology
2010 – 2011	Adjunct Lecturer, DUTH, Specialist Areas: Building Technology, Documentation and preservation of historic residential complexes, Integration and Preservation of Monuments and Archaeological Sites in Urban or non-Environment
2006 spring	Adjunct Senior Lecturer, NTUA, Specialist Area: Integrated Design Studio
2005 – 2012	Adjunct Senior Lecturer, DUTH, Specialist Area: Tectonics, Design Studio
2003 – 2005	Adjunct Lecturer, DUTH, Specialist Area: Tectonics, Building Technology
1990 – 1991	Teaching Assistant, University of Southern California, 1 st year Design Studio

Key Teaching-Related Administration Roles and Experience

2023 - present	Head of NTUA Department 4 – Building Design and Technology
2202 - present	Module Convener in Advanced Building Technology Elective (9B)
2021 - 2022	Director of the NTUA Model Lab
2015 - 2018	Course Director in Architecture BEng RIBA Part 1
2013 - 2018	Module Convener in design studio and tectonics - various levels
2003 - 2013	Unit leader in tectonics/ building technology and design studio - various levels

Research Interests

- Architectural education
- Architectural technology
- Façade engineering
- Construction / construction management
