

Open Call: EULiST Student Conference

Where: [TU Wien, Vienna](#)

When: June 30 - July 4th

All expenses are covered by the alliance

[Apply here](#) until Sunday the 12th of May 2024

EULiST Student Conference will fund 200 students from 10 [EULiST](#) member universities across Europe. It will take place at [Technische Universität Wien](#) (TUW) in Vienna, Austria from the **30th of June to the 4th of July**. The goal of the event is to develop cutting-edge knowledge in advanced technological topics, improve soft skills, and ponder on the future of European alliances such as EULiST.

The EULiST Student Conference is designed to offer students a truly distinctive collective experience. As the first and foremost student-led event of our academic alliance the aim of the conference is to foster open dialogue between society and the evolving landscape of technological innovation.

Participant Profile:

- You are a student at one of the [10 EULiST universities](#), including [NTUA](#) (Erasmus and other academic mobility programs guest students are not eligible).
- You are proficient in English language.
- You are over 18 years old.

EULiST warmly welcomes students who have no prior experience of international events to participate.

More information

EULiST brings together over 200,000 students and 20,000 staff members from 10 universities across 10 countries, each with unique strengths in technical, humanities, and social sciences disciplines. Together, we represent the diverse tapestry of the European university landscape, spanning from Sweden and Finland in the North, Greece, Italy, and Spain in the South, to the Czech and Slovak Republics in the East, and Austria, France, and Germany in the West and Centre.

The **EULiST Student Conference's** program will include many social events such as a city rally, a science slam, and many more upcoming surprises. All costs will be covered (travel, accommodation, food) by the alliance.
